Seomyeon Medical Street Festival SMS Festival!

Medical-Beauty-Healing Tourism

Seomyeon Medical Street Festival held every year in October starting from 2011! It is a festival during which excellent medical institutions located in the Seomyeon Medical Street gather to introduce the latest medical technologies and provide opportunities to experience actual medical services.

Let's see, hear and experience!

You can get professional counseling from the medical institutions in the areas of cosmetic surgery, skin care, dentistry, oriental medicine, and so on! Moreover, you can enjoy fun performances, nail art, make-up, and various DIY experiences! SMS Festival is full of medical events and other things to see.

You will be disappointed without things to eat in your tour! Representative Food of SMS

Ssiat Hotteok (Sweet Korean Pancake Stuffed with Seeds)

A kind of representative street food of Busan. It features putting the pancake in a paper cup and spraying nuts on it. In spite of ready-to-eat food, it has abundant nutrients thanks to the seeds. You can enjoy the sweetness of sugar, aromatic flavor of the seeds, and chewy texture of the pancake at the same time.

Fish Cake

When biting the fresh fish cake, abundant savory flavor fills your mouth. Busan fish cake is one of the famous products of Busan. It has been loved by people with fresh materials, hygienic manufacturing process, and good taste. There are many flavors of fish cakes such as cheese, vegetables, octopus, sesame leaves, and so on.

Eel Street in front of Bujeon Station

In the market located in front of Bujeon Station, you can find eels lined up over the hot grills. Different from the creepy shape of eels, the taste is good enough and diverse according to roasting ways such as seasoned roasting, grilling with salt, roasting over grills, barbecue cooking, and so on. Once you taste eels, you would not be able to put your chopsticks down. When you choose the seasoned grilled Busan eel dish, don't forget to eat rice with the leftover seasoning.

Seomyeon Pork and Rice Soup Alley

Pork and Rice Soup began to be cooked by the refugees with the pork bones and other by-products during the Korean War period. Especially the Seomyeon Pork and Rice Soup is famous even in Busan. You can experience the taste of Busan while eating the Pork and Rice Soup with side dishes such as salted shrimp, leeks, onion, and so on.

Seomyeon Pojangmacha Cart Bar Street

A village of Pojangmacha Cart Bars is formed around Lotte Department Store. The old-fashioned but friendly light bulbs glowing yellow will pull your steps into the tent door of a cart bar. You can enjoy Soju with cartilage, eel, and other dishes you can find on the menu list.

A mecca of Busan city center tour Seomyeon Tour!

Jeonpo Café Street

The street, which had originally been a hardware store complex, was transformed to a café street filled with unique personality and sensitivity. Jeonpo Café Street was selected a must-visit place by the New York Times. You can enjoy the street filled with a whirl of ideas, delicious coffee and various dessert.

Busan Citizens Park

It is a park in the city center that claims to stand for a space where people can be connected to communicate with each other comfortably. The park was created based on five themes of memory, culture, pleasure, nature and participation. There are many things to see including 5 main forest trails, metasequoia road, azure waterfalls, and so on.

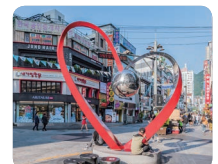

Hocheon Village

It is a village with mountainside roads where you can look at the panorama of Busan at a glance. The village was the filming site of a popular Korean drama titled "Fight for My Way" which was broadcast in 2017. At night, the lights coming from the houses lined up along the alleys create a beautiful night view.

Seomyeon Specialized Street

It is a street of youth full of vitality and energy with bars ablaze with colorful neon signs, Seomyeon Eatery Alley, and various performances and artistic activities.

Bujeon Markets Town

It is the largest traditional markets town with 8 markets and more than 3,000 shops not only in Busan but also in Korea. You will feel the sense of living and get warmed up while talking with the generous merchants speaking in their pleasant dialect.
